WaveFX 1500

Moving LED BAR

series Art by FLASH

WaveFX 1500 is an innovative LED bar with ten independently moving RGBW heads, combining wash and FX functions in one compact fixture. Independent head control, precise zoom, and dynamic strobe effects provide wide creative possibilities for lighting design and animation. The fixture enables smooth transitions between head movement and pixel effects, allowing the creation of complex sequences, waves, and lighting animations for stage, concert, and event applications. Its robust construction and IP65 rating ensure reliable performance for both indoor and outdoor use.
